Mr. Nick Walters  
WeatherMaster  
2115 Eastern Avenue  
Baltimore, MD 21231

Dear Mr. Walters:

When a task is completed in an extraordinary manner, I believe kudos should be bestowed! Every WeatherMaster employee with whom I have come in contact, from salesman Joe Mantegna to installers Tommie, Phil and Jeff, has represented your company admirably.

Joe Mantegna has the patience of a saint! He knows the product and its quality, and answered all questions thoroughly, at times more than once. He followed up on the initial visit, without pitch and pressure, and returned all phone calls promptly, always exhibiting a friendly personality. We remain sold on him and the product as well!!

The installation crew of Tommie, Phil and Jeff were knowledgeable, thorough and careful in their work, and, as you know, this is not an easy undertaking. They were pleasant, friendly and respectful of the fact that they were working inside and outside of someone's home. The windows are absolutely beautiful; these men took the time to do the job right - they even cleaned up their mess!

You are fortunate to have these people associated with WeatherMaster; I will not hesitate to recommend your company to neighbors and friends.

Sincerely,

Virginia Cameron
